NEW WAGE SCALES FOR MASTER WORKMEN IN GDR INDUSTRIES

/Comment; summary: the following table shows the new monthly wage rates in effect in the German Democratic Republic since the promulgation on 28 July 1952 of the Third Decree Concerning the Rights and Duties of Master Workmen (meister) in the People-Owned and Equivalent Enterprises. The table shows the wage scale for master workmen in various types of industry, broken down into classes of towns. The symbols "A" to "D" and/or "I" to "IV" are used to designate the classification of the localities, but no explanation is given of the specific significance of these symbols. Designations "MI" through "MIV" under "Wage Groups" apparently indicate degree of skill of master workmen./
